Investment Objective

The Aurora Property Buy-Write Income Trust ("Fund") seeks to provide investors with capital growth and income through owning a portfolio of ASX-listed property securities, and actively selling call options over the portfolio.

Investment Strategy

The Fund seeks to capture returns from investing in a portfolio of Australian ASX listed property securities. Income generated may be supplemented by implementing a call option selling ('writing') strategy. Where a call option strategy is implemented, a proportion of the income received from selling the call options may be used to purchase put options to reduce capital risk.

The Fund will invest in opportunities that are considered to offer attractive risk return characteristics with a focus on potential catalysts that seek to generate a profitable return regardless of the market direction.

The Fund provides the following information pursuant to ASX Listing Rule 17.2:

- The request for Voluntary Suspension relates to the effects of the COVID-19 pandemic on AUP, including the Disclaimer of Auditor's Opinion in the Annual Report for RNY Property Trust (ASX: RNY) and the ASX's investigation on that matter;
- As stated in AUP's financial statements for the half year ended 31 December 2019, the Fund owns 67.15% of the units in RNY and has extended subordinated debt to US entities in the RNY group;
- It is expected that the Voluntary Suspension will be ended once the ASX has concluded its investigations, as mentioned above; and
- Aurora is not aware of any reason why the Voluntary Suspension should not be granted.
